### Participating in the Mass

- **No singing.** No bidding prayers. No offertory procession. No physical sign of peace.
- **Stand or sit:** Please stand or sit, **no kneeling** - Keep children with you at all times.
- **Readers:** For the moment the priest will do the readings and distribute Holy Communion with the help of a Eucharistic Minister. If there is a reader they will be supplied with single-use gloves and should avoid touching the microphones or the Lectionary during the Liturgy of the Word, apart from page turning.
- **Homily:** The homily should be brief, to minimize the time that people are congregated in the Church building.
- **Communion** under one kind only. After the prayer and its response "Behold the Lamb of God... Lord I am not worthy," the priest will hold up the Host to the Congregation and say audibly "The Body of Christ" to which the people should respond "Amen." In the same way, he elevates the chalice and says, "The Blood of Christ" and again the people respond "Amen." The priest will receive Holy Communion under both kinds using his own Host and Chalice.
- **Spiritual Communion:** Before Communion is given to the congregation the "Spiritual Communion Prayer" is said for those who are following from home, or for some reason cannot receive Communion.
- **Receiving Communion:** For Communion: Please **stay** in your places. If wearing a mask please remove one side before communion. Communion is be given **silently** in the hand only, with the **communicant standing**, avoiding any physical contact. When the priest / EM approaches, communicant arms fully "out stretched" so that there is a good distance between the priest/EM and the communicant. Their hands, palms upwards, one of top of the other, should be extended as flatly as possible. Communicant receives **silently** and stands/sits to pray in thanksgiving after communion.

- **Votive candles:** If you wish to light candles at the statues of Ss. Therese, Erconwald and/or Anthony please do so before you are seated. Candles at all other shrines should be lit prior to leaving the Church. This will facilitate the one way system. Light only the candles which have already been placed in holders for your use, stewards will replenish candles as required. Please use the lighter which has been sanitised to light your candles. Do not hold candles in your hand as you may still have sanitiser residue on them, and this could lead to burns.

### Leaving the Church

- **Exit** via the car park door. Please sanitise hands and keep social distancing in and around Church grounds.
- **Your belongings:** Ensure you take all your belongings with you after Mass.
- **Newsletter and other documents:** Take a copy of the Newsletter as you leave along with any other documents being distributed. Having touched any piece of paper do not put it back but take it with you. We have a "**leave no trace**" policy.

Despite all the restrictions let us be thankful that we can once again gather together, despite social distancing, as God's people. Let us rejoice and be glad.

Please do feel free to share the information in this newsletter with other members of the parish with whom you have contact. We all hope that these regulations will be temporary. Patience will still be required of all of us. We are in this together, let us help one another.

With prayerful best wishes. Keep safe.
